**Anna Lena's | 111 Bolstad Ave E, Long Beach, WA 98631 | 360-642-8585**

Welcome to Anna Lena's! Many years back, quilting became my passion. That led to the opening of the shop in 1987--and that was just the beginning of my career in quilting. Now, in addition to the shop and web store, I design patterns under the History Stitchery label, write books for Krause Publications, design fabrics for Andover fabrics and write shop programs like The International Mystery, Wash Tub Club and Stash Pot Pie. You'll also find patterns from me in popular quilting magazines, and I was thrilled to be named a Top Ten Quilt Shop by American Patchwork and Quilting in 2006. All of this has been great, but the best thing about quilting is the wonderful people I've met in the last ten years--customers, teachers, shop owners. Quilters are the best! Oh, we make fudge in our shop, too! What more could you need besides fudge and fabric!?!

Welcome! Our store is located in a custom built building in my hometown, just north of Pittsburgh PA. We opened in 1993 and almost immediately began publishing patterns for our most popular projects, including our best selling Reversible Table Runner and Three Pocket Tote. Look for our patterns under The Quilt Company name. We were fortunate to be featured in Quilt Sampler Magazine in 1997 and shortly thereafter I began designing fabric, most recently for Timeless Treasures. My responsibilities include designing fabric collections as well as many of the projects for Timeless Treasures kits, magazine ads and quilt catalogs. We invite you to stop by, in person or on the web, and browse our selection of original kits, patterns and fabrics.

## Quilting Possibilities | 512 Route 9 South, Forked River, NJ 08731 | 609-242-0033/732-269-8383

Located at the beautiful Jersey Shore, Quilting Possibilities opened in 1995 in a small 1200 square foot shop all because Debbie couldn't find yellow fabric locally to put in her quilts. That led to a whole new career for both Debbie & Jim. After two moves, we are hopefully where we are going to stay - since the staff threatened to retire if they had to move again! At 5800 square feet & the largest quilt shop in NJ, we are constantly amazed that we often wish for more room to put up "one more display"! A great staff - retirement threats notwithstanding! - make the store a cozy, welcoming place to all levels of quilters. We strive to find the newest, neatest & greatest quilting tools & supplies to bring to our customers in the shop & in the webstore. QP has a large selection of kits, nautical & batik fabrics, books & notions, gifts & more! Our Mission Statement: To provide a creative haven where people can come to learn, share ideas and be inspired.

## Suzanne's Quilt Shop | 9 First Street SE Moultrie, GA 31768 | 1-888-798-0934 | 229-616-1013

Suzanne developed a love of fabric from an early age. Sewing was her favorite pastime. She majored in Home Economics Education and taught middle school. When she discovered the process of quilt-making in 1983, she knew right away that she wanted to teach quilting one day and own a shop. In 1988 that became a reality and Suzanne's Quilt Shop opened in Royal Palm Beach, Florida. Suzanne has been teaching quilting ever since. In June of 1998 [www.suzannesquilts.com](http://www.suzannesquilts.com) became one of the first quilt shops on the internet. After many successful years in Royal Palm Beach, FL and to be closer to her growing family, Suzanne moved her business to Moultrie, GA in 2006. Her newest endeavor is to launch her own pattern company. With 20 years of teaching quiltmaking we know there are a lot of ideas she is looking forward to putting into cloth and print.
